

REACH Statement

EU Regulation (EC) 1907/2006, REACH

To Whom It May Concern,

REACH (Registration, Evaluation, Authorization and Restriction of Chemicals, EC 1907/2006) is the European Union's (EU) chemical substances regulatory framework.

Owasys Advanced Wireless Devices S.L. (Owasys) is a company designing, manufacturing and marketing electronic products. Owasys is aware of the REACH regulations, potential implications to our business and our obligations to take relevant actions to enable business continuity.

Article 7 – Registration

With regard to Article 7(1) of the REACH regulation, articles produced by Owasys do not contain substances intended to be released under normal or reasonably foreseeable conditions of use and do not contain any Substances of Very High concern (SVHC) that exceed 1 ton per year.

Article 33(1) – Communication of Substance Information

Article 33(1) requires a supplier to inform its customers if an article contains a substance(s) on the [Substances of Very High Concern \(SVHC\) Candidate List](#) in excess of 0.1% weight by weight of that article.

As per the latest update on 7 November 2024 there are 242 substances on the SVHC list.

- Owasys products (owa5X, owa4X, owa450, owa344) do not contain any of the substances, in a concentration greater than 0.1% by weight.
- Owasys discloses this information, to the best of our knowledge, based upon data supplied by our raw material suppliers or manufacturers.

Article 56 & 67 – Authorization and Restriction

Substances subject to authorization listed in Annex XIV (included in SVHC list) are not present in Owasys products.

Owasys has reviewed the latest Restriction List and declares that all supplied products meet the conditions for use and are thus compliant with Annex XVII.

If you have any questions or require further information regarding product environmental compliance, please contact compliance@owasys.com.

This statement is based on information and data provided by 3rd parties and may not have been verified through destructive testing methods or other chemical analysis. Owasys reserves the right to change the information stated in this document without any further notice.
